The customer has selected that they are **ready to begin work immediately**. We recommend that you act on this lead as quickly as possible to contact this customer and introduce your company. You will be **in competition with no more than 3 other contractors**, however, it is still important to make contact before someone else will close a sale.

This is a great potential sales opportunity. If you can provide pictures of previous work you have done related to jobs like this, you are likely to be more successful.

You can also direct this customer to your free advertisement on ContractorQuotes.ca if you have posted pictures of your work there. Navigate to your ad and copy the URL/Link to paste it in an e-mail message

Thank you for your interest in this lead. If you have any questions about this lead file or if there is anything we can do to assist you, please contact us at: service@contractorquotes.ca
